

United States Equestrian Federation and U.S. Department of Veterans Affairs Veteran Assistance Program for Para-Equestrian Driving Athletes

The U.S. Equestrian Federation supports Para-Equestrian-eligible military Veterans in their efforts to represent the USA at upcoming Para-Equestrian World Championships and other International competitions. Veterans who demonstrate exceptional sport skills and the commitment necessary to pursue elite-level competition are given guidance on securing the training, support, and coaching needed to qualify for Team USA and achieve their Para-Equestrian dreams.

Through a partnership with the United States Department of Veterans Affairs, the VA Paralympic Program Office helps to provide a monthly assistance allowance for disabled Veterans of the Armed Forces, as authorized by section 703 of the Veterans' Benefits Improvement Act of 2008.

Through the program, the VA will pay a monthly allowance to a Veteran with a service-connected or non-service-connected disability if the Veteran meets the minimum military standard or higher (i.e. Emerging, Talent Pool, National Team) in his/her respective sport at a recognized competition.
