Jane joined Carlisle Academy in 2011. She is a CHA Level 3 Instructor; USDF Bronze & Silver medalist; and USDF “L” Graduate. As an accomplished dressage rider Jane divides her time between training her own two horses Lyra and Corina, teaching dressage at Carlisle Academy, and judging dressage schooling schools. Jane enjoys teaching recreational students of all ages and abilities, and her focus on technical skills allows her students to progress quickly. Jane has been involved with Carlisle’s Para-Dressage Program since the beginning and looks forward to continuing her coaching and judging involvement in the para-equestrian community.
