The camp is open to riders, ages 10-17, with independent riding skills at the walk, trot and canter, with developing jumping skills. The program will run as two tracks as needed to accommodate different riding levels. Each week will focus on a horse management theme and in addition to mounted lessons in dressage and jumping, riders will have a chance to try mounted games, pleasure driving, foxhunting, polocrosse and other disciplines. The curriculum follows the US Pony Club system and the camp is taught by Carlisle's Pony Club instructors.
