About Carlisle Staff: Our Sports program is staffed by a team of nationally certified instructors with competition backgrounds ranging from eventing to hunters and jumpers.

About Aunt Kim: Kim started showing horses at age 13. After a successful youth career, including a 2 month riding course in England, Kim went on to receive her Riding Instructors Certificate and a Riding Master's Degree from a well-known Horsemanship school. In 1977, she traveled the country as the National Appaloosa Queen. Until 2006, Kim specialized in Hunters, started many young riders and horses and produced numerous National Champions. As the reining side of their business grew, she decided to put away the jumps and focus on starting young and beginning riders so they could eventually enter the reining program.
