An apprentice training will be offered once before the spring, summer, and fall program sessions. These trainings provide the knowledge and skills needed to effectively work in the Carlisle Academy Apprentice Program.

#### **What is the Apprentice Program?**

Our apprentice program is a service-learning opportunity for people ages 14 and older who are interested in animal-assisted therapies, and would like to give their time to support people with both physical and mental health issues within our program. Apprentices are rewarded by giving to others and receiving ongoing education and training to maximize their experience.

Our apprenticeship programs have three tiers providing apprentices with the opportunity to learn and grow. To learn more about how to become a Sidewalker, Lesson Assistant, or Equine Assistant, go to: [www.carlisleacademymaine.com](http://www.carlisleacademymaine.com)
