**Love horses and riding?
Pony Club might be for you!**

Carlisle Academy is hosting an info night all about Pony Club. Come join us and see what Pony Club has to offer!

We have members of all ages learning to ride and working together to care for horses – all while building their own personal confidence and community awareness.

Our pre-pony club program, Little Boots, is designed primarily for ages 5-9, while the formal Youth Pony Club is suited for children ideally age 10 and up. Exceptions are made for younger students who are committed equestrians eager to progress through the Pony Club standards and ratings.

The Pony Club mission to, *“develop character, leadership, confidence, and a sense of community in youth through a program that teaches the care of horses and ponies, riding and mounted sports.”*

Pony Club Program Details:

- Pony Club holds mounted and unmounted activities throughout the year, using Carlisle Program horses or your own.
- Each meeting follows the Pony Club curriculum to help equestrians along their own paced path of riding and horse management proficiency.
- Additional weekly riding lesson packages are available.
- Participants can follow a track that fits their interests including Horse Management, Dressage, Eventing, or Hunter Seat Equitation.
- Pony Clubbers are eligible for additional education opportunities including field trips, PC rallies, educational clinics, and offsite shows.
