ABOUT GREENHORNS

This curriculum club is designed for the young equestrian, ages 9-15, as an introduction to horse care and the unmounted horse management education which is foundational for the Pony Club standards. At this stage, age-appropriate games/skills, safety and fun are at the center of all activity. Members attend 10 monthly unmounted meetings and are assisted by the upper level PC members and a Carlisle instructor. Additionally, members may take weekly scheduled lessons through discounted lesson packages at their own pace. This is a center-based Pony Club program, and national PC membership is not required.

The Pony Club mission is to, *“develop character, leadership, confidence, and a sense of community in youth through a program that teaches the care of horses and ponies, riding and mounted sports.”*
