Carlisle Academy's Group Riding Lessons Program encompasses both mounted and unmounted instruction in a fun learning environment. Each session is an opportunity for a group mounted lesson focused on skills and safety, while unmounted time is spent learning about horse care including grooming and stable management.

This program curriculum is designed for the young equestrian (elementary-aged youth), as an introduction to riding and horse care. At this stage, age-appropriate skills, safety and fun are at the center of all activity!

*Carlisle Academy is a recognized U.S.
Pony Club Riding Center*
