ABOUT

Carlisle's Little Boots Program is a USPC Center-Based Program promoting the Pony Club curriculum and its values. It is designed for the young equestrian ages 5-11 as an introduction to horse care and horse management education which is foundational for the Pony Club standards. At this stage, age-appropriate games/skills, safety, and fun are at the center of all group activities including riding time.

During the 6 Saturday morning two-hour sessions, students are assisted by the upper-level PC members and Carlisle certified instructors. The program includes a 30-minute group riding lesson and additional horse management learning stations.

The Pony Club mission to, *"develop character, leadership, confidence, and a sense of community in youth through a program that teaches the care of horses and ponies, riding and mounted sports."*
