Carlisle Academy's Summer Equestrian Camp is both mounted and unmounted instruction in a fun learning environment. The Academy is a registered US Pony Club Riding Center that follows the Pony Club Curriculum. Each morning is an opportunity for a group mounted lesson focused on skills and safety, while unmounted time is spent learning about horse care including nutrition, hoof and shoeing, and stable management. Campers are assisted by upper-level Pony Club members as well as Carlisle instructors. Crafts, water games, and many more summer activities are included!
